

GOKULANATH M

T.T Nagar, Karaikudi - 630001 | (+91) 7639900727 | gokulajay33@gmail.com | [GitHub](#) | [Netlify Overview](#)

Objective

"As a Recent mechanical engineering graduate, eager to transition into software engineering. Strong analytical skills, seeking dynamic roles to contribute innovative solutions and make a meaningful impact through continuous learning.", I am excited to make a meaningful impact in the field of software engineering.

SCHOLASTICS

- **B.E – (MECH):** Graduated from Anna University College of Engineering, Ramanathapuram with 8 CGPA in 2023.
- **DME –** Completed from Vivekananda Polytechnic College, Kummangudi with 73% percentage in 2020.
- **HSC:** Passed from Karaikudi Maharishi Vidya Mandir matric higher sec school with 50 % in 2018.
- **SSLC:** Passed from Karaikudi Maharishi vidya mandir matric higher sec school with 78 % in 2016.

TECHNICAL SKILLS

Web Development

- **HTML:** Proficient in creating structured and semantic markup for web pages.
- **CSS:** Skilled in styling web content to create visually appealing and responsive designs.
- **JavaScript:** Solid understanding of fundamental concepts and hands-on experience in creating interactive features.

Front-end configuration

- **React.js:** Basic skills in creating dynamic and interactive user interfaces using React.js. Extensive experience in building reusable components and managing status and bottlenecks.

Database Management

- **MySQL:** Basic knowledge of relational databases, including database design and executing queries.
- **MongoDB:** Familiarity with NoSQL databases, basic CRUD operations, and data modeling.

Server-Side Development

- **Node.js:** Basic understanding of server-side JavaScript and building simple applications.
- **Express.js:** Familiarity with the Express framework for developing web applications.

Ability

- Ability to organize, lead and work as a team.
- Creativity.
- Effective communication skills.

Area of interest

- Software development.

PROJECT

E-commerce Website Built Using HTML, CSS & BOOTSTRAP

<https://wonderful-melba-ba80e4.netlify.app/>

"E-commerce website crafted with HTML, CSS, and Bootstrap, combining style and functionality for an enhanced online shopping experience."

STUDENT MANAGEMENT(CRUD) - Built Using JavaScript

<https://brilliant-griffin-5c001f.netlify.app/>

"Student Management System with CRUD functionalities, developed using HTML and JavaScript for seamless data management."

PORTFOLIO

<https://lustrous-fox-691860.netlify.app/>

COMMUNICATION

Tamil(Native proficiency)

English(Professional working proficiency)

TOOLS

- Excel.
- Git.
- SQL.
- Visual studio.

HOBBIES

- Badminton.
- Learning New Technologies.
- Planting.

STRENGTH

- Active Listener.
- Good Communication.
- Good team player.
- Willingness to Learn.

DECLARATION

I hereby declare that the above written particulars are true to the best of my knowledge and brief.
